

# Cargo IQ plus

for upper cabinets –  
pull-outs for extra convenience

Cargo IQ plus shows up the contents of wall units to best effects – easy on the eye and easy to handle. Perfectly organized, jars of herbs and spices simply slide into view. Keeping wall units tidy is a challenge. Cargo IQ plus solves the problem, turning cluttered space into an attractive design element in the kitchen. The stylish and practical pull-out glides smoothly and closes softly on proven Quadro runners with integrated Silent System.
