New

Shed New Light on Storage: **AvanTech YOU Illumination**

AvanTech YOU: as individual as you

AvanTech YOU Illumination sheds new light on storage, with customized LED signature lighting which adds practicality and unmistakable elegance and style.

This revolutionary feature illuminates the drawer interior automatically when the drawer is opened. Delivery of the even, 4,000K light requires no complicated connections, thanks to a practical rechargeable battery pack.

Make stunning statements with our illuminated Design profiles. The light is clipped onto the drawer side profile, and the rechargeable battery holder is attached to the rear panel – and easily removed for re-charging.
That's all there is to it!

Technical details in brief

- As an option can be retrofitted with compatible drawer boxes from AvanTech YOU platform
- Diffuse light, color temperature 4000K
- For kitchen / living room / bathroom / office spaces
- Not for outdoor use
- Power supply from one rechargeable battery pack per drawer
- Switches on automatically when the drawer is opened
- Switches off automatically after 30 sec. or on closing the drawer
