## ADDING NEW DIMENSION TO WIRE PRODUCTS

The new range of wire baskets are manufactured at our Vadodara, India Plant which has international standards of stringent quality controls. Each process is devised to produce a world class quality product. Automatic plating plant is used to provide excellent plating finish, hence we achieve such quality that makes us the only company who provides 10 year replacement warranty against rusting.

### INNOVATION THROUGH EXPERTISE

We combine intelligent technology with functionality and design, and then we apply the results to our flawless fittings from drawer and runner systems, hinges and connecting fittings, to fittings for folding and sliding doors. This is how Hettich has evolved into the global success story it is today.

### PROTECTING THE ENVIRONMENT:

We share responsibility for the world we live in, so we take our commitment to safeguard the environment extremely seriously. Hettich's environmental management system is EMAS compliant. We make every effort to be as green as we can be, so that you can work with us with a clear conscience.
