Slim Drawer System

As individual as you

Hettich

AVANTECH YOU PLATFORM

The Avantech YOU series platform draws its inspiration from the megatrend of individualisation, where one seeks to impart one's signature style to their home decor. These luxurious slim drawer systems break the shackles of monotonous furniture with their cutting-edge technology and stunning design options. Whether for use in the bathroom, living room or kitchen – every wish for a unique look is easily fulfilled with the broad diversity of this product range.

Give drawers an unmistakable look

These drawer systems are distinguished by immaculate beauty from its slimline and sleek 13 mm drawer side profile. And by the ability to turn personal ideas into reality every time.

Get a variety of clever functions

One platform, two runners and numerous user friendly functions. Flexibly combinable with each other by using one and the same drilling pattern.

As smart as it can get

Adjustment and assembly system is hidden from view behind the drawer side profile's immaculate, clean design. Simple, tool-less installation of the front panel and convenient, practical rear panel installation.

Make production more efficient and cost effective

The comprehensive platform concept and perfect product adjustments to production and assembly processes guarantee cost effectiveness and efficient work flows while at the same time providing the basis for a broad product lineup.

AvanTech YOU Illumination

AvanTech YOU now even gives the furniture its own signature lighting: in clip-on profiles, homogeneous LED light illuminates open drawers on the inside or makes a stunning feature on the outside. Glass inlays with polished or ground edges can also cut an elegant figure: the LED signature creates amazing visual effects every time the drawer is opened. A practical rechargeable battery pack provides the energy for the LEDs.
