# FURNITURE RANGE IDEABOOK

## PROLOGUE:

Interiors are taking centre stage off-late since people are spending more time at home. Furniture, too is getting its share of attention with emphasis on high usability, minimal disturbance to the eye and potential to have various sizes in one idea.

This book showcases range of furniture ideas made from cutting-edge Hettich furniture fittings, which can be adapted to various spaces. Along with it, the materials and colours have also been thoughtfully chosen to rejuvenate and balance the whole interior space.

\*All images used in this idea book are license free images from pexels.com & pinterest.com  
This idea book "colour inspiration" was conceptualized to match with "VERY PERI" (Pantone colour of the year 2022)

# ABOUT US

The company's origins date back to 1888, when Karl Hettich began making the new clock component he had invented. By 1930, his descendants had diversified into furniture fittings, setting up production in East Westphalia – a Centre of the German furniture industry.

Today, Hettich, still family owned, has become an industry leader with a worldwide reputation. We're one of the world's largest manufacturers of high quality furniture fittings, with over 6,000 employees in more than 100 countries. The company's success has been built on four enduring values: quality, innovation, close cooperation with customers and absolute reliability. We work to inspire our customers with our ideas and our passion.

Hettich Manufacturing Plant, Vadodra, India

Hettich Forum at Kirchlengern, Germany

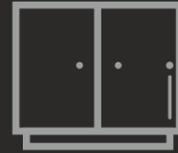

Hettich Manufacturing Unit at Indore, India

# FURNITURE RANGE ADVANTAGES

## MODULAR ADAPTATIONS

The beauty of modular furniture is that it is adaptable to your given space and liking.

## FITTING FRIENDLY

A diverse and a dynamic range of fittings, which helps you match your interiors to your liking, always creating a pragmatic experience.

## FREEDOM OF CREATION

The appearance and functionality of the furniture range depends on your imagination of colours, functions and its combination with Hettich fittings.

## COLOUR THEORY

When it comes to colour schemes, using complementary colours is the simplest. It uses two colours that sit opposite each other on the colour wheel.

## POCKET FRIENDLY

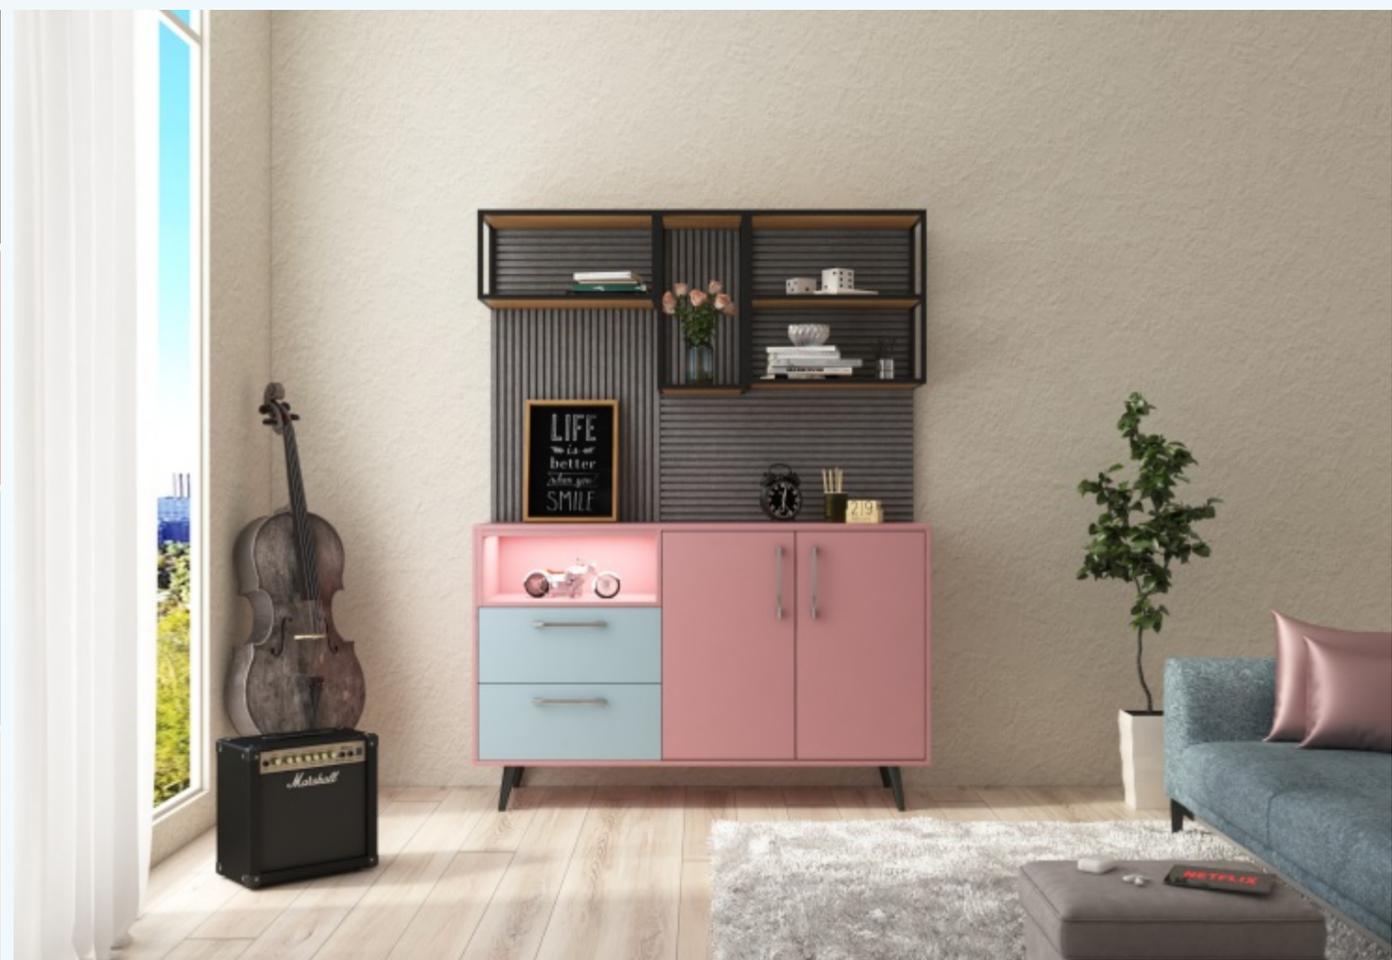

It's only fair to consider one's spending ability. Be it any size, we ensure that budget does not become a hindrance.

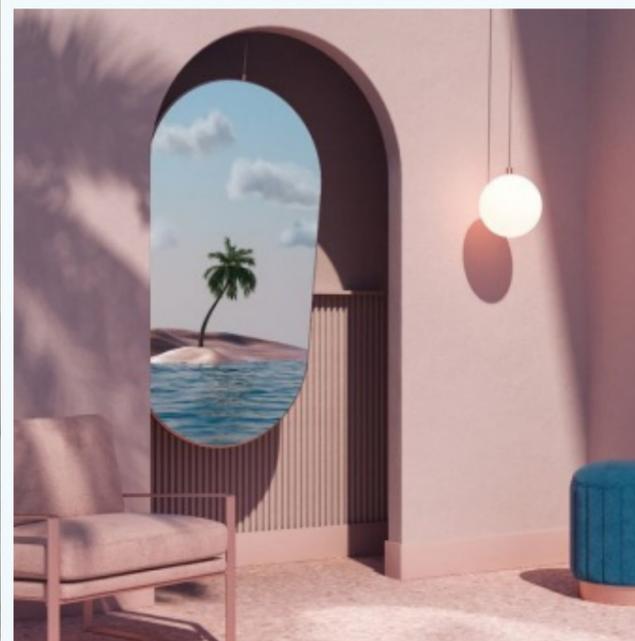

## FLEXIBLE DETAILING

Go in depth with our flexible range of accessories, which promote individualization and takes care of the minutest details.

-LORD KELVIN

It is an adaptation of the concept carrying similar functionalities, which differ in size and are fitted with Hettich furniture fittings.

Colour embraces and reflects your character; it is a therapeutic element, which grants you the power to blend or pop-out! The psychology behind colours has shifted the paradigm of interior design. Hence the combination of both elements, visible and invisible create a perfect environment in your home. The current trends demand such versatile, robust ideas at your humble abode.
