

Hettich's Red Dot Seal: German Craftsmanship, Now Elevating Indian Interiors

Mumbai, Maharashtra, India, 15 September 2025:

Discover Hettich's award-winning furniture fittings that blend German engineering with timeless design, transforming your home into a stylish and functional space.

When it comes to premium furniture fittings, design speaks louder than words. Hettich's globally awarded innovations, honoured with the prestigious Red Dot Design Award, redefine how interiors move, look, and feel. With German engineering precision and timeless design, Hettich brings these globally renowned lifestyle solutions directly to Indian homes, kitchens, and workspaces.

Why Red Dot Wins Matter And Why Hettich Continues to Earn Them

The Red Dot Design Award is more than an accolade, it's a global benchmark for innovation, aesthetics, and functionality. Judged by an international panel of design experts, it recognises products that solve real problems while delighting users.

For Hettich, every award is a validation of its vision: making living spaces smarter, more elegant, and truly effortless.

Hettich's Red Dot Heroes: Designed to Delight

Each of these innovations has earned global recognition - and is available across India for discerning homeowners, architects, and
