

Stainless steel railing handles ...made-to-measure

PRO DECOR

Special solutions are needed to meet special requirements!

Use the new production service for stainless steel railing handles to give your creative living design the perfect aesthetic finish with a unique handle.

Made-to-measure for every single piece of furniture – a motto that quite literally yields tangibly greater freedom for designing individual and attractive furniture.

Every handle is unique – order-based production by Hettich permits handle lengths ranging from 50 to 2000 mm – naturally with millimetre accuracy!!

All you have to do:

Enter the handle length, distance between holes and required quantity in the Fax order overleaf, add your address and sign the order before faxing it to your local Hettich partner – that is all!

The Fax order form can naturally also be downloaded for your convenience from www.prodecor.com
